

Finishing Well

Joshua 23

(p.200)

Introduction:

Key Idea:

Like the Israelites leaders we must *be very careful* to love God,
which requires *diligence* and *watchfulness*.

- Remember and Obey (vv.1-8)

- Love and Forsake (vv.9-13)

- Moral and Spiritual Dangers (vv.14-16)

So What?

1. God has set up an axiom - Remembering Him leads to obedience.
 - Diligent, careful, painstaking, tireless, constant
2. Why trying harder DOESN'T work...
 - Trying harder puts ME in charge
 - DEEP Surrender is the key
3. Wrecking spiritually starts with little steps
